

### **Español Tres, Honores e IB**

Please purchase an attractive (not costly) notebook in which to record twice weekly diary entries in Spanish. Since it's only twice weekly, it's suggested that you write a page or so of all that you've been doing, thinking, dreaming, and so on. Mum's the word – your secrets will be kept. Please send photos of your diary entries each week to [moralesd@scsk12.org](mailto:moralesd@scsk12.org). Also I would like you to learn two songs to teach the class when we are together again in August. Also, please bring in the hard copy of your diary the first day of school! EXTRA CREDIT – you can watch one of the Youtube videos above and tell me what it's about in your diary!
